

Broadcom to Nutanix Migration Promotion Overview

The Broadcom to Nutanix Migration Promotion provides organizations that are not current Nutanix customers with a quick and easy way to get started with the Nutanix Cloud Platform (NCP) solution. This Promotion provides pricing incentives for new Nutanix customers switching from VMware technologies to Nutanix Cloud Infrastructure, Nutanix Cloud Manager, and Nutanix Cloud Platform. These can be deployed on any hardware that appears on the Nutanix hardware compatibility list or supported public or service provider clouds, including AWS, Azure and other clouds. The pricing incentive is available for the first order, for up to 1,000 cores of licensed capacity. Customers can purchase additional capabilities, additional, and professional services for initial setup at standard prices.

Key Features

- **Freedom of Choice:** Run the hypervisor of your choice on hardware of your choice, on-premises or in the cloud of your choice
- **World-Class Support:** Nutanix customers endorse our support with an average 90+ NPS for the last decade
- **One-Click Simplicity:** Intelligent management and automation improve productivity and reduce manual tasks
- **Secure Platform:** Protect your operations with a resilient self-healing platform, built-in encryption, data protection, and disaster recovery capabilities
